the Prairie River

TRIP 1

4 HOURS TOTAL

Visit StJoeH2O.com for more information

Need help transporting to and from launch points?
For this river we suggest the following business:

LIQUID THERAPY
THREE RIVERS: 269/273-9000

P18

Prairie River Lake

Public Access site on this tranquil lake. Great put in spot. Restrooms. Gas station nearby. Head north for river mouth.

L36

Hackman Road

Looking to shorten your trip? Put in at Hackman Road to cut an hour off of the trip time. Easy to access. Dirt/grass path.

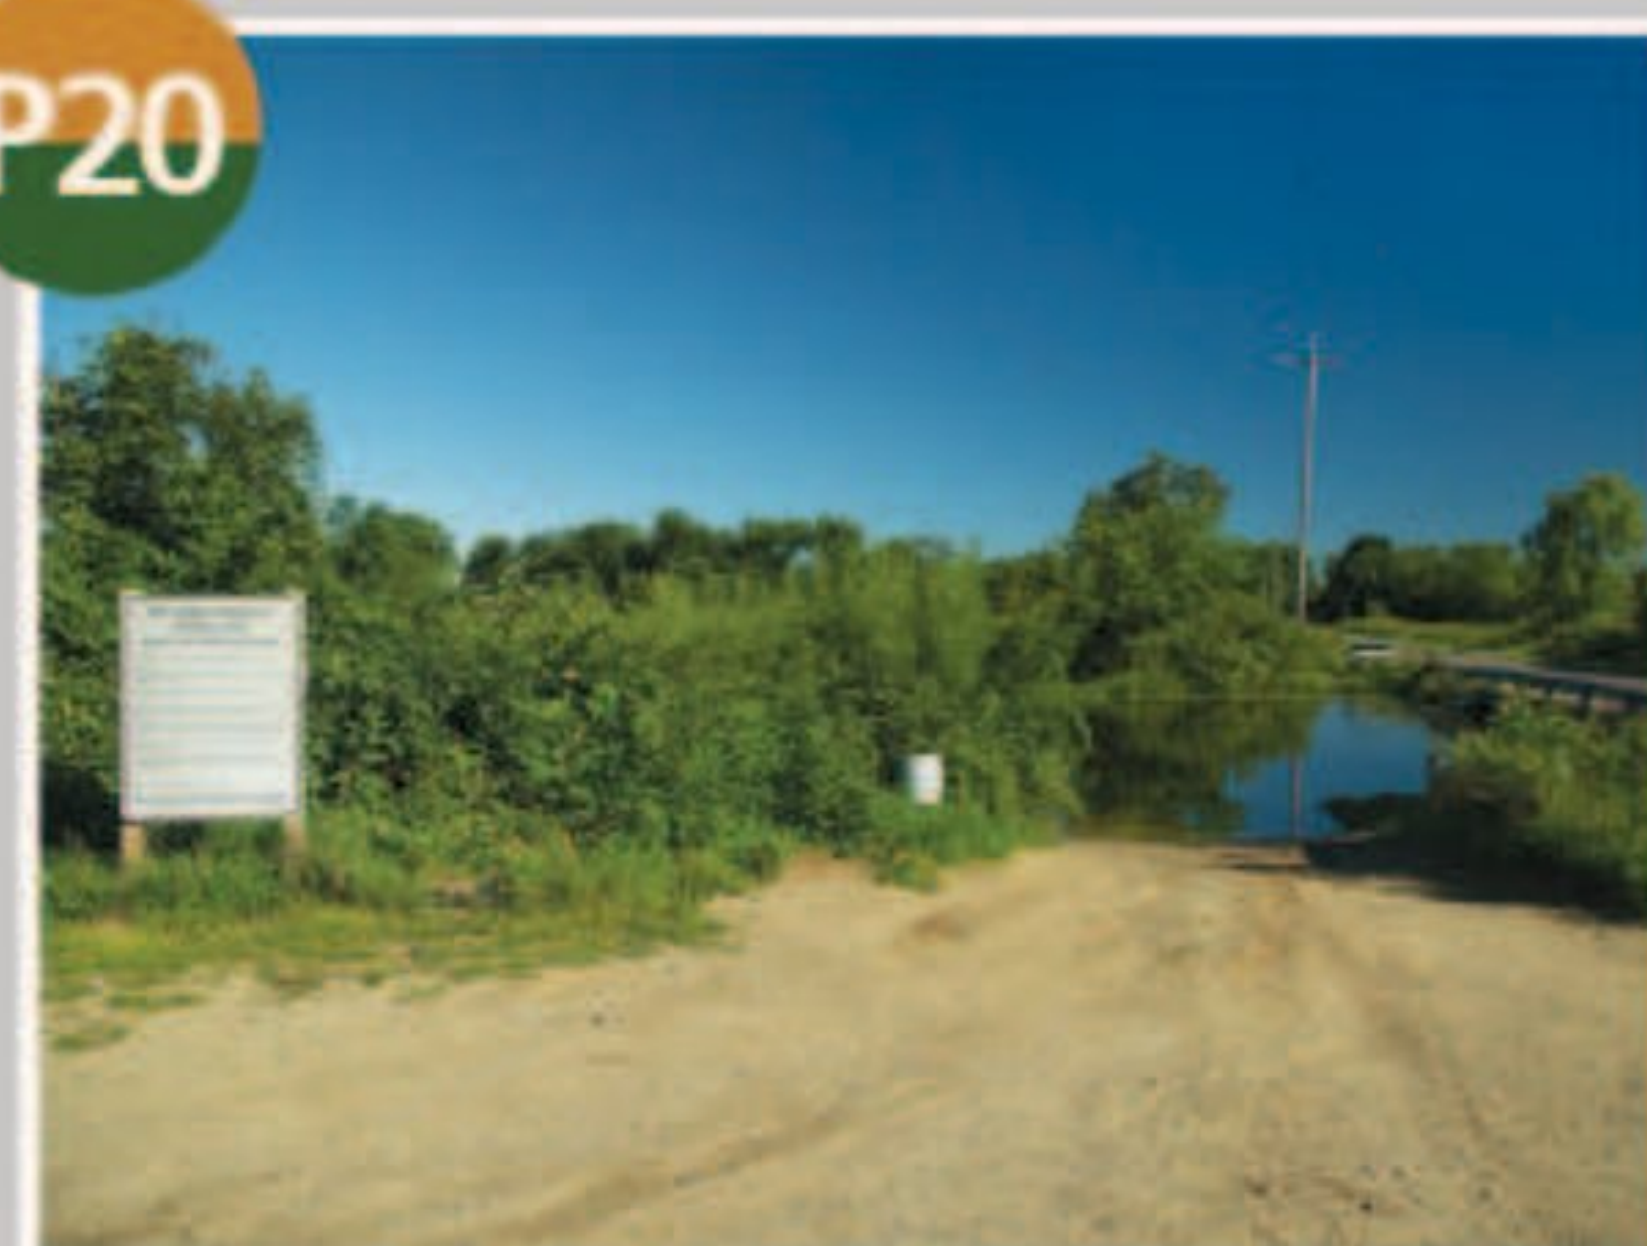

L37

Findley Road

2.5 hours into your paddle, use Findley Road to exit or to take a break before the final stretch of river which will take approximately 1.5 hours.

P20

Lake Templene

Exit the Prairie to avoid paddling through the large lake, and to avoid having to portage the dam on the other side.

P19

Nottawa Park

At the end of your trip, swing over to Nottawa Park to relax, have a picnic, grill some burgers or just watch a sunset over beautiful Sand Lake. Need supplies? There's a party store just a few blocks away.
