the St. Joseph River

TRIP 3

7.2 HOURS TOTAL

Visit StJoeH2O.com for more information

Need help transporting to and from launch points?
For this river we suggest the following business:

LIQUID THERAPY
THREE RIVERS: 269/273-9000

P7

Conservation Park

Start your trip at this access point and arrange for your transportation with Liquid Therapy. Close to downtown Three Rivers. Ample parking.

L15

Withers Road

Newly improved! This access point is located just over 2.5 hours from Three Rivers. Easy to access the river with gravel steps. Picnic table offers a great place to take a break.

D11

DAM. Visit StJoeH2O.com for images and videos on river obstructions and how to navigate them safely.

P10

Riverview Park

1.5 hours from Withers Road, the Constantine dam requires portage. Keep left to exit or portage, or exit the river to the right (no portage).

D3

DAM. Visit StJoeH2O.com for images and videos on river obstructions and how to navigate them safely.

P15

Mottville Reservoir

3 hours from Constantine, keep left at reservoir to avoid the dam and to exit the river before it continues into Indiana. Close to downtown.
